

## Crafty Eye Ambassador Program

We are looking for members of the Class of 2013 to represent our studio as Student Ambassadors. As an Ambassador, you will promote our senior photography to your friends and classmates.

The Ambassador program will benefit both you and the studio. Ambassadors will receive a **complimentary** session, great photos and have lots of fun. We will use the images for samples and advertising.

We must tell you up front that everyone who applies cannot be accepted. We have a limited number of Ambassadors. Everyone who applies, though, will receive a complimentary one hour session.

Qualification: You must NOT be associated with any other photography studio and must NOT be participating in any other studio promotion or event. You must be willing to have your free Ambassador Portrait session done on a Tuesday through Saturday in February.

If all of this sounds good to you, please stop by the studio to pick up an application or print from online at [www.craftyeyephoto.com](http://www.craftyeyephoto.com) and mail to:

The information I have provided is accurate to the best of my knowledge. I am a member of the high school graduating Class of 2013 and would like to be considered for a position as a Crafty Eye Senior Ambassador.

I agree to represent Crafty Eye Photography, and no other senior photography studio.

I agree to have my portraits taken by Crafty Eye Photography and no one else.

I agree to place a portrait order from Crafty Eye Photography no later than December 1, 2012.

I agree to refer Crafty Eye Photography for senior portraits to as many people as I can.

I consent to release all images taken at Crafty Eye Photography for the studio's promotional use in printed material, electronic advertising, website and Facebook.

Crafty Eye Photography reserves the right to choose, based on its sole discretion, whomever it feels best to represent them. Filling out an application does not guarantee anyone an ambassador role with Crafty Eye Photography. Ambassador positions are limited.

I understand the conditions and agree to them.
